Description:

The Opus Financial Report is a vital asset to the International Investor. Each month it offers insights, and news regarding international investment strategy. There is a sharp focus on the exchange rates, and stock markets of every nation. The subscribers of the monthly publication are looking for investment opportunities outside their home country. They are also Internet savvy and have signed up for membership to the Opus Financial Report website. The information available to them online is immediate and dynamic - there is live assistance for the investor closely monitoring a recent change in the market. These men and women are *zealously serious* about their investments, wealth, and purchases.

These consumers are also accustomed to the yacht sailing, international jet-setting, island escaping life style. When money is no object - objects become your greatest obsession. The selections are valuable and endless - reach these prospect by Phone, FAX, Cell, Email, or Postal Address.
